Hi Misty,

Film LA reached out to me yesterday about this proposal. I am meeting with them tomorrow at 1:00 at our Highland Park office to discuss overall concerns with filming on the corridor. Our biggest concern is the minimal outreach that is done with the businesses. Not sure if you want to attend or not, but at the very least notify your businesses about this. We haven't made a decision yet about this particular shoot, I am waiting to see how tomorrow's meeting goes. Let me know if you want to sit in, otherwise I will fill you in. In any case, you should be connected with Film LA and have input with regards to what happens on the business corridor. Let me know if you have any questions or anything in particular you want me to discuss at the meeting.

Melinda,

Thanks for speaking with me earlier. As I mentioned on phone, we have a lot of activity lined up in the Highland Park area. Please see below for details of what we're looking to achieve, I apologize in advance, it is a lot of information.

We have 3 shoots planned in rapid succession, we're really hustling to keep up.

F79687, Feature, "Never Leave" - re-shoots, company filmed multiple weeks on this location earlier this year, they used the lots below for residential displacement parking.

24 HOUR ACCESS REQUEST CITY LOTS FOR RESIDENTIAL DISPLACEMENT
PARKING:

CITY LOT # 673, 117 S Ave 57, 16 SPACES 5/24/14 - 6/20/14

CITY LOT # 638, 120 S Ave 58, 28 SPACES 6/2/14 - 6/12/14

Regarding the request below, the company is looking to have as many spaces as your office and the BID would feel reasonably comfortable with. This would be for various vehicles and equipment. DOT would like to know your position on any long term City Lot requests before issuing approvals.

CITY LOT #636, 31 SPACES

Please let me know if I can explain anything in more detail, I just want to get everything in motion as we are running low on time. Thank you.

Sincerely,

Jason Del Paine (JDP)
